Terms and Conditions of Sale

In these conditions "Seller" refers to Univar Specialty Consumables Ltd and/or its subsidiary, associated or operating companies and "Buyer" refers to the individual firm or company to whom a quotation is addressed or whose order is accepted by the Seller. These conditions shall apply in respect of all Contracts ("Contract") between the Seller and Buyer for the purchase of goods or services from the Seller. No other conditions are incorporated or implied into any Contract between the Buyer and the Seller unless expressly accepted in writing by the Seller.

All references to prices, goods and services contained in these conditions shall be taken to mean the prices, goods and services detailed in the relevant order form issued by you ("**Purchase Order**") as subsequently amended by our written acceptance of order form ("**Acceptance of Order**").

1. Application of Conditions

- (a) All quotations, offers and tenders are made subject to the following conditions. Except as otherwise provided in these conditions, all other terms, conditions, representations or warranties are excluded from any Contract between the Seller and the Buyer unless expressly accepted in writing by the Seller.
- (b) Purchase Order constitutes an offer by the Buyer to purchase goods in accordance with these conditions.
- (c) The Purchase Order shall only be deemed to be accepted when the Seller issues a written acceptance of the Purchase Order at which point and on which date the Contract shall come into existence (Commencement Date).

2. Delivery

- (a) Time for delivery of the goods and completion of the services is given as accurately as possible but is not guaranteed. Except where otherwise agreed, the Seller shall deliver to the Buyer's premises stated in the Buyer's order. In the event that the Seller is unable to deliver the goods at the agreed time, it shall use its reasonable endeavours to notify the Buyer of the delay. Upon notice by the Seller, the Buyer agrees to negotiate in good faith with the Seller to agree a new delivery date. In the event that the goods cannot be delivered, or the parties cannot agree a new delivery date, the Buyer may cancel the contract and seek alternative goods at its own cost and risk.
- (b) The Seller reserves the right to deliver less or more than the quantity of goods ordered by up to 5% and the Buyer shall pay for the quantity actually delivered. Measurements of volume or weight are also subject to variation as a result of normal manufacturing or packing processes and the Buyer must accept such variations up to 5% of the stated measurement.
- (c) The Seller may deliver the goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Buyer to cancel any other instalment. Failure by the Buyer to take delivery of any one or more installments of goods delivered in accordance with the Contract shall entitle the Seller to terminate the Contract either in whole or part.
- (d) No liability can be accepted for alleged defects, where such defects are reasonably apparent upon inspection, unless the Buyer notifies the site from which the goods were ordered or the Buyer's usual customer representative within 3 working days of receipt of the goods, and confirms by notification in writing within 5 working days of receipt of the goods. For latent and not reasonably apparent defects, Seller must be notified within 5 working days of discovery and in any event no later than 3 months from the date of delivery. Where the Seller is notified of the defects in accordance with this provision, the Seller shall repair or replace the goods at its sole option.
- (e) Goods are not permitted for resale by the Buyer unless expressly agreed in writing by the Seller.

3. Price and Payment

- (a) Subject to condition 3(b) and 3(c), the price for the services or each delivery of goods will be as detailed in the relevant Purchase Order, as amended by the relevant Acceptance of Order, as amended in

accordance with condition 3(b) and/or 3(c) or, if no pricing information is contained therein, will be in accordance with the Seller's price list in force from time to time. In the event of a conflict any price revision in accordance with condition 3(b) and/or 3(c) shall prevail, or if the price has not been revised, the price in the Acceptance of Order shall prevail and, if no price information is contained therein, the price in the Purchase Order shall prevail.

(b) (i) The Seller shall be entitled to increase the price of the goods every six months after the date of the Acceptance of Order for any reason or more frequently if the Seller (in its sole discretion) considers the same to be justified by reason of any material increase in the prices of raw materials used by the Seller or other overhead costs incurred by the Seller in the supply of the goods.

(ii) The Seller shall provide the Buyer with 21 days advance notice of any price increase. The Buyer shall be entitled to cancel its order by providing written notice to the Seller, only if the goods or services provided under that relevant Purchase Order are provided by the Seller out of the Seller's normal stock offering and do not form part of a particular stocking arrangement, such notice to be given within 7 days of the Buyer receiving notice of the price increase. If written notice of cancellation is not received by the Seller within 7 days then the Contract will continue in force.

(c) Where as a direct result of the United Kingdom's withdrawal from the European Union the Seller's costs of delivering the goods are materially increased, the Seller shall be entitled to increase the price of the goods on at least 14 days' written notice to the Buyer for such Products delivered from, to or via the United Kingdom (at any point in the supply chain). This increase shall be documented by the Seller, but for avoidance of doubt, does not need to be agreed by the Buyer in advance. For the purpose of this condition, an increase of 5% or more of the Seller's costs shall in all cases be deemed to be a "material" increase".

(d) All prices (which unless otherwise specifically stated are exclusive of VAT and any other applicable taxes, including hydrocarbon oil duty, where applicable, and do not include delivery or package charges) are net and are not subject to any discount. Payment must be received to the account nominated by the Seller by the 20th day of the month following the month of delivery of the goods or services, or no later than the last working day before the due date if the date falls on a nonworking day. The Buyer will pay all amounts due under the Contract in full and without any deduction, withholding or set-off.

(e) At the Seller's complete discretion, it may charge interest at:

(i) the rate of 5% per annum above National Westminster Plc base rate from time to time in force; or

(ii) at 1% above such a rate as the Seller may be charged by a commercial lending bank; or

(iii) In the alternative the Seller may claim interest at its discretion under the Late Payment of Commercial Debts (Interest) Act 1998.

The sum shall be payable daily and compounded quarterly and shall be chargeable on the entire sum outstanding where payment is not made in accordance with condition 3(d).

(f) Where the Buyer defaults in payment, the Seller shall be entitled to suspend any or all further deliveries and the performance of services under the Contract and under any other Contract between the Seller and the Buyer and demand immediate payment of all sums owed, or yet to be invoiced, by the Buyer to the Seller or any affiliated companies on any account..

4. Payment for Containers

The Seller shall be entitled to charge the Buyer for crates, drums, boxes, cases, carboys or other types of packaging where such packaging is used for transportation of the goods to the Buyer. Where the Seller has indicated to the Buyer that such packaging is returnable to the Seller, the Buyer shall return them to the Seller in good condition within 2 months, carriage paid, and the Seller will credit the Buyer for such returned packaging in his next account. All returnable packages which are not returned to Seller in accordance with this provision, not complete or in good condition, and which have not previously been charged for, will be invoiced at the standard rate, payment of such invoice being due in accordance with condition 3(d). Containers provided by the Seller must not be used for the storage or holding of any goods other than those goods delivered by the Seller unless the Seller's prior written consent is obtained.

5. Credit

(d) If the Seller does so repair or supply satisfactory substitute goods or services or effect repayment under condition 5 (c), the Buyer shall be bound to accept such repaired or substituted goods or services or repayment and the Seller shall be under no further liability in respect of any loss or damage of whatever nature arising in relation to those goods or services.
