

September 3, 2019

Dear Valued Customer,

We are pleased to announce that on September 1, 2019, we successfully moved assets of Nexeo Solutions, LLC into Univar USA Inc., changed our name and are now known as Univar Solutions USA Inc. (Univar Solutions). Coming together under one legal entity is a key step in fulfilling our vision to redefine distribution and be the most valued chemical and ingredient distributor on the planet.

Effective September 1, for new transactions, you will begin to receive sales confirmations, proofs of delivery, bills of lading, invoices, and other documents with our new Univar Solutions logo. During the transition period, however, you may still encounter documents and labels with the legacy company branding and name. These are still legally valid and can be accepted as usual.

We appreciate your business and thank you for your patience as we work hard to make the transition to become a fully integrated Univar Solutions as seamless as possible. Our primary focus through these changes continues to be you – your needs and our ability to provide exceptional service and make it easy to do business together. Please pass this information along to anyone at your company who is responsible for maintaining supplier records or purchasing/ordering/receiving products and feel free to visit our website at <http://www.univarsolutions.com/integration> for information and updates.

If you have any questions, please do not hesitate to contact your current Customer Service Representative or Sales Account Manager for additional support.

Sincerely,

A handwritten signature in dark ink, appearing to read "Mark Fisher".

**Mark Fisher**  
President, Univar Solutions USA Inc.
