

Keepin' It Real Kit

Moisturizing Silk Meringue Shower Foam

A gentle cleansing system that cares for your skin. Moisturizing Silk Meringue Shower Foam helps support your skin's natural moisture barrier as you cleanse. Upon pumping, it instantly provides a lightweight foam with an airy texture. Leaving skin beautifully clean, soft and smooth.

DOWSIL™ 2501 COSMETIC WAX

A water dispersible wax with a low melting point, literally melts upon skin contact. It has many great benefits including moisturizing, tackiness reduction, and foam boosting. It is very versatile in terms of applications, can be used in, cleansing, leave-on skin care, and colour cosmetics.

XIAMETER® OFX-0193 FLUID

A diverse Silicone Polyether. It is compatible with a wide range of cosmetic ingredients and can function as a foam builder that forms dense, stable foam; it imparts a soft, silky feel to hair and acts as a humectant and emollient in skin care products.

MIAMI L-95

This is a highly active powder surfactant based on Amino acids; these are the building blocks for protein. Amino acid surfactants not only do they have mildness on hair and skin, with a low Zein score, but also they have a good toxicity profile, excellent foaming and good biodegradability.
