

Ready Jet Set Go

Sleeping Beauty Oil

Fast absorbing facial oil, with superb skin lightening and brightening properties. This innovative elixir contains a powerful cocktail of actives that will rejuvenate your skin while you sleep.

DOW® 3901 Liquid Satin Blend is an advanced polymer technology from Dow. It assists with the application process allowing for a smooth glide on application, increasing the perception of luxury and skin conditioning.

DOW® FZ-3196 Cosmetic Fluid is a superb light carrier fluid, with moderate volatility.

Asyntra® SL is a synergic skin lightening and brightening blend. A true multi-functional skin lightening/even toning active with an outstanding safety record.

Synovea® EL is a neutral, lipid-soluble form of Linoleic acid (LA) which is an essential fatty acid required for skin nourishment. A smart synergist, with multiple skin benefits.

Sleeping Beauty Oil

Formulation no: FCUN16-6

#	INCI NAME	TRADE NAME	SUPPLIER	FUNCTION	WT %
PHASE A					
1	Dimethicone (and) Dimethicone/ Vinyl dimethicone Crosspolymer	DOW® 3901 Liquid Satin Blend	DOW®/Univar Solutions	Feel Modifier, Provides Lubricity	40.70
