

Morning Glow 30-Second Boost Elixir

Charm with a graceful and fresh morning glow. This mystical elixir preserves your beauty during your cosmopolitan journey thanks to its anti-aging properties. It lifts your natural radiance with a tightening effect. Tickle your senses with a refreshing sensation and warm up your mind with a sweet honey note. You'll feel ready for the day, go forth like the Venus of the Sky.

L-Serine: amino acid used as skin conditioning agent. Helps balance skin moisture and reduce wrinkles.

AgeCap™ Smooth Cosmetic Ingredient: anti-aging active with prolonged efficacy compared to classical antioxidants. Contributes to healthy skin by softening the appearance of wrinkles, promoting skin radiance and delivering skin smoothing effect.

ACULYN™ 28 Polymer: anionic associative rheology modifier in a liquid format for ease of use. Thickens and imparts a watery and memory shape texture with quick break and fresh effect. Stabilizes the oil phase.

ACULYN™ 33A Polymer: alkali-swellable emulsion (ASE) of an anionic acrylic polymer. Excellent suspending properties that improve the formula stability with a low impact on viscosity for a light sensory feel.

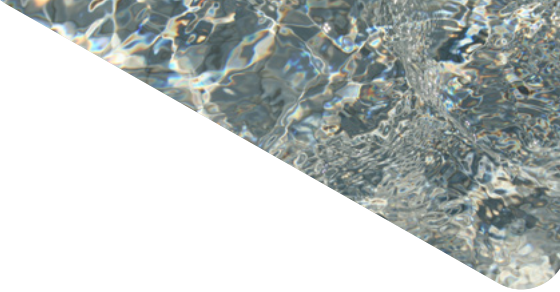

DOWSIL™ FA 4002 ID Silicone Acrylate: highly efficient film former, which can create a tightening effect when used at low use levels in hydrogels.

Stabil ZERO: alternative preservative ingredient. Provides multiple benefits such as broadspectrum antimicrobial protection, emollience, moisturization and skin feel enhancement.

DOWSIL™ HMW 2220 Non-Ionic Emulsion: ready-to use water-based emulsion of an extremely high viscosity polymer with good conditioning properties, gives excellent moisturization perception and silky touch. Improves comfort to wear.

TRIS AMINO™ ULTRA PC: multifunctional additive and neutralizer that can be used at a low dosage. Excellent safety profile recommended for sensitive skin.

Honey Treatarome® 9802: clear aqueous distillate, which brings a nice honey fragrance at low use level. Antioxidant and preservative free.
