Facial Cleansing Stick

POOF!!! WOW !! OOOOOH!!!! This face cleansing stick has a transforming texture. Multiple ways to apply, a single way to rinse off: the stick will melt on the skin then emulsify with water turning into a milky water. It's convenient, cute and practical to pack! Throw it in your gym bag and use it for a post-sweat session reboot.

- › **BETADET® SHR:** amphoteric mild surfactant, reduces irritation, foam booster, thickener.
- › **AMIDET® N:** non-ionic mild surfactant with vegetable origin, multifunctional ingredient that acts as thickener, foam booster, and an emulsifier, with good skin compatibility. Nitrosamine-free.
- › **CosKAO™:** 95% pure kaolin clay, COSMOS approved, with heavy metals quantity controlled, suitable for sensitive skin, soothing and calming effect, unify the color complexion.
- › **DOWSIL™ 2501 Cosmetic Wax:** copolymer of glycol and silicone dispersible in water, tackiness reduction, moisturizer and can be used as a foam enhancer.
- › **Oliwax®:** COSMOS approved stabilizer for W/O emulsion, derived from ultra-refined pure olive oil with a dropping point of 60-70°C. Structures the oil phase and gives a nice smooth and non-greasy feel. Beeswax substitute.
- › **Sensolene®:** biodegradable lipid derived from olive oil with a biomimetic activity. Improves formula spreadability, has great sensorial properties, a high dermocompatibility and pro-barrier effect. China-compliant.
- › **SolaStay® SI:** the most powerful photostabilizer on the market today. Preserves the color of the stick.
