

Oriental Express Invigorating Body Oil

Univar
Solutions

Asia inspired

Inspired by Oriental rituals, this invigorating and sensual massage oil is a true delight. Smooth it on and massage deeply to relieve tensions. The spicy and pepperminty essential oil mix will invigorate your senses and help you to relax. Enjoy the silky results and your state of relaxation.

DOW

DOWSIL™ 3901 Liquid Satin

Blend: sensory enhancer silicone that provides intense lubricity, luxurious satin-like feel, perceived moisturization and smoothness.

XIAMETER™ PMX-1503

Fluid: a viscous blend of high viscosity dimethiconol and low viscosity dimethicone, imparts a silky, lubricious feel and gives consistency to formula.

HALLSTAR

Sensolene®: emollient with a great sensory profile. Restores the skin barrier and prevents water loss. Brings softness and spreadability to the product.

EARTHOIL BY UNIVAR SOLUTIONS

Organic FFL Sesame Seed Oil Refined: vegetable oil cold-pressed in Kenya with excellent emolliency that will result in soft and nourished skin. Very fluid oil with a great spreadability profile.

Organic Peppermint Oil: essential oil that is said to relieve muscle and joint pain. Cooling, invigorating and antispasmodic properties.

LAMBIOTTE

Methylal Pure Grade Desodorised: volatile acetal with great solubilization properties.
