

## Perfect Pout Lip Duo Scrub

For a perfect pout we created a scrub & mask combo to whip even the most neglected lips into tip top condition.

This emulsion thickened with **ACULYN™ 38 Polymer** and stabilized by **Ercamuls Lux** is gentle yet effective at removing dead skin cells. Two natural exfoliants, **Walnut Shell** and **Bamboo Exfoliator Beads** in combination with **EcoSmooth™ Delight H** create a sensorial scrubbing experience and impart a velvety feel during application. A touch of honey improves the nourishing effect and gives a natural color. **Ercarel SHO** brings added emolliency and texture in synergy with **AigloSyn F** and **Inchol®**, an Ecocert natural oil coming from Peru.
