

Sleeping Beauty Facial Oil

Use this oil before bedtime, to preserve skin moisture and elasticity, thanks to the **NC08 BerryFlux Vita**. This oil-soluble fraction from raspberry cell cultures is dispersed in an anhydrous system based on **Dow Corning® 3901 Liquid Satin Blend**. This enables formulations that not only deliver performance, but provide an exceptional sensory experience with a luxurious, satin-like feel. The distinctive sensory silicone blend is mixed with vegetable oils such as **Ercarel TCC V** or **Jojoba Golden Oil**. **Monoī Infused** is a cost effective ingredient, very effective in re-hydrating dry damaged hair, with same aroma/flavour profile as Monoī oil. **Rosamox™**, a rosemary extract, has the ability to protect highly unstable oils from oxidation in formulations and acts as a natural alternative to mixed tocopherols and Vitamin E Acetate.

 **UNIVAR®**
PERSONAL CARE

	Trade name	INCI name	Supplier	%
A	1 Dow Corning® 3901 Liquid Satin Blend	Dimethicone/Vinyl Dimethicone Crosspolymer (and) Dimethicone	Dow Corning / Univar*	40.0

* Please contact your regional Univar sales representative to ensure that mentioned products are distributed in your country.

Procedure (Cold Process)

1. Combine phase A with gentle stirring until homogeneous
2. Add in order the ingredients of phase B to phase A while stirring.

Stability

Stable at least 2 months at room temperature and 40°C (still ongoing).

Comments

- Clear water thin anhydrous facial serum inspired from "Face Oil" (formulation 02076) developed by our partner, Dow Corning.
