

Multifunctional powder

Don't fuss with liquids and the risk of them leaking. Just add water to create a 3-in-1 multifunctional wash, conditioner, and shaving prep. Leaves your skin smooth and revitalized.

Cargil, C*HiForm™ A 12747

Cold-processible, natural emollient providing matte-finish and luxurious feel.

Dow, DOWSIL™ EP-9801 Hydro Cosmetic Powder

Water-loving silicone elastomer provides velvet smoothness on revitalized skin.

Dow, UCARE™ Polymer JR-400

Skin-conditioning polymer provides rich lather and enhanced skin softness.

Univar offers this suggested formulation as a representative formulation only. See the back cover or <https://trends.univarsolutions.com/awestruck> for important cautions.
