

Living on the Edge

Control face framing frizzies with this clear edge control styling wax that goes on dry and keeps hair sleek.

This clear styling wax has a unique hard texture and provides superior hold, edge control, and shine to the hair.

TILAMAR® Fix A1000: Hair styling polymer that provides extra strong hold with natural feel.

Lexol® IPP: Lubricous, high quality, odorless and colorless emollient.

Mackstat® DM: Efficacious, broad spectrum, and cost effective antimicrobial. It is often sufficient by itself and can also be combined with other preservatives to provide enhanced antifungal activity.
